Summary

I am Addina Khairinisa, a final semester student of Informatics Engineering study program at STT Terpadu Nurul Fikri, with a focus on web development as a Frontend Engineer and UI/UX Designer, as well as expertise in Office Administration. Through a strong portfolio and related certifications, I have skills in creating innovative web solutions and enhancing user experience, while supporting smooth operations through effective administrative capabilities. I am committed to making significant contributions and am ready to adapt to the challenges of the professional environment.

Education

STT TERPADU NURUL FIKRI

Student - Informatics Engineering

Depok, West Java

Sep 2021 - Current

SMK ISLAM MALAHAYATI
